A. CONSIDERATION OF REPORTS

B. QUESTIONS AND COMMENTS

Following consideration of the Reports, the Chairman will give shareholders a reasonable opportunity to ask questions about or comment on the management of the Company.

The Chairman will also give shareholders a reasonable opportunity to ask the Company’s Auditor, KPMG, questions relevant to:
(a) the conduct of the audit;
(b) the preparation and content of the Independent Auditor’s Report;
(c) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
(d) the independence of the Auditor in relation to the conduct of the audit.

The Chairman will also give the Auditor a reasonable opportunity to answer written questions submitted by shareholders that are relevant to the content of the Independent Auditor’s Report or the conduct of the audit. A list of relevant written questions submitted by shareholders will be made available at the start of the AGM and any written answer tabled by the Auditor at the AGM will be made available as soon as practicable after the Meeting.

C. ITEMS FOR APPROVAL

Resolution 1. Election of Director – Anne McDonald
To consider and, if thought fit, pass the following as an ordinary resolution of the Company:

“That Anne McDonald, who retires in accordance with clause 15.10 of the Company’s Constitution and being eligible be elected as a Director of the Company.”

Resolution 2. Re-election of Director – Michael Carapiet
To consider and, if thought fit, pass the following as an ordinary resolution of the Company:

“That Michael Carapiet, who retires in accordance with clause 15.6 of the Company’s Constitution and being eligible be re-elected as a Director of the Company.”

Resolution 3. Remuneration Report
To consider and if thought fit, pass the following as a non-binding ordinary resolution of the Company:

“To adopt the Company’s Remuneration Report for the financial year ended 30 June 2016.”

The Remuneration Report is contained in the 2016 Annual Report (available at www.linkgroup.com). Please note that, in accordance with section 250R(3) of the Corporations Act 2001 (Cth), the vote on this resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement
A vote on Resolution 3 must not be cast (in any capacity) by, or on behalf of, the following persons:
(a) a member of the Key Management Personnel (KMP) whose remuneration details are included in the 2016 Remuneration Report; or
(b) a closely related party of such a KMP (including close family members and companies the KMP controls).

However, a person described above may cast a vote on Resolution 3 as a proxy if the vote is not cast on behalf of a person described above and either:
(a) the proxy appointment is in writing that specifies the way the proxy is to vote (e.g. for, against, abstain) on the resolution; or
(b) the vote is cast by the Chairman of the Meeting and the appointment of the Chairman as proxy:
   (i) does not specify the way the proxy is to vote on the resolution; and
   (ii) expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

"Key management personnel" and “closely related party” have the same meanings as set out in the Corporations Act.

**Resolution 4. Link Group Omnibus Equity Plan**

To consider and if thought fit, pass the following as an ordinary resolution of the Company:

“That for the purpose of ASX Listing Rule 7.2, exception 9 and all other purposes, the Link Group Omnibus Equity Plan, as described in the Explanatory Memorandum accompanying the Notice of Meeting be approved for the issue of securities under the Link Group Omnibus Equity Plan.”

**Voting Exclusion Statement**

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast on Resolution 4 by any Director of the Company (except a Director who is ineligible to participate in any employee incentive scheme in relation to the Company) and their associates.

However, the Company need not disregard a vote cast on Resolution 4 if:
(a) it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy appointment; or
(b) it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Voting Form to vote as the proxy decides.

In addition, a vote must not be cast on Resolution 4 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting because the Company’s proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

**Resolution 5. Approval of Managing Director’s Participation in the Link Group Omnibus Equity Plan**

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

“That, for the purposes of ASX Listing Rule 10.14 and for all other purposes, the issue of 127,992 Performance Share Rights to John McMurtrie, Managing Director, under the Link Group Omnibus Equity Plan on the terms described in the Explanatory Memorandum accompanying the Notice of Meeting, be approved.”

**Voting Exclusion Statement**

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast on Resolution 5 by any Director of the Company who is eligible to participate in the Omnibus Equity Plan and their associates.

However, the Company need not disregard a vote cast on Resolution 5 if:
(a) it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy appointment; or
(b) it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Voting Form to vote as the proxy decides.

In addition, a vote must not be cast on Resolution 5 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting because the proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

**Resolution 6. Appointment of KPMG as Auditor**

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

“That, in accordance with section 327B(1)(a) of the Corporations Act 2001 (Cth) and for all other purposes, KPMG having been nominated by a shareholder and consented in writing to act in the capacity of Auditor, be appointed as the Auditor of Link Administration Holdings Limited.”

By order of the Board.

John Hawkins
Company Secretary
10 October 2016
VOTING PROCEDURES AT THE AGM

1. All resolutions will be by poll
In accordance with clause 14.14 of the Company’s constitution, the Chairman intends to demand a poll on each of the resolutions proposed at the AGM. Each resolution considered at the AGM will therefore be conducted by a poll, rather than on a show of hands. The Chairman considers voting by poll to be in the interests of the shareholders as a whole and is a way to ensure the views of as many shareholders as possible are represented at the meeting.

2. Direct voting
In accordance with clause 14.23 of the Company’s constitution, the directors:
• have determined that at the AGM, a shareholder who is entitled to attend and vote on a resolution at the AGM is entitled to a direct vote in respect of that resolution; and
• have approved the use of the LinkVote App and Link’s online platform as means by which shareholders may deliver their direct vote.

3. Casting your direct vote in real time using Link Group’s online platform
To facilitate shareholder participation, and in accordance with his powers under clause 14.6 of the Company’s constitution, the Chairman has determined that shareholders who are unable to attend the meeting will have the opportunity to participate in the AGM through the Company’s online platform at https://agmlive.link/LNK16. If you choose to participate in the meeting in this way, you will be able to view the AGM live, lodge a direct vote in real time and ask questions online.

Shareholders who elect to participate at the AGM using the Company’s online platform instead of attending the physical meeting at the address specified in this notice will not be entitled to the following rights of those shareholders attending the meeting:
• to be counted as attending or being present at the meeting for any purpose, including for the purpose of determining whether a quorum is present at the meeting;
• to request the Chairman under clause 14.2 of the Company’s constitution to declare that a quorum is not present;
• to be entitled to join in the election of the Chairman under clause 14.5.5 of the Company’s constitution in the case of a vacancy in the Chairman;
• to be counted as part of the meeting for any consent sought by the Chairman (under clause 14.7 of the Company’s constitution) to adjourn the meeting;
• to be entitled to raise an objection to the qualification of a voter under clause 14.28 of the Company’s constitution; or
• to be entitled under section 250PA(9) of the Corporations Act 2001 (Cth) to have copies of the question list setting out written questions to the auditor submitted by members before the AGM made reasonably available to them. Copies of the question list will, however, be available on the Company’s online platform.

ELIGIBILITY TO VOTE
In accordance with regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the Board has determined that persons who are registered holders of shares of the Company as at 7:00pm (AEDT) on Wednesday, 16 November 2016 will be entitled to vote at the AGM as a shareholder.

HOW TO VOTE
1. Direct vote – prior to the AGM
In accordance with clause 14.23 of the Company’s constitution, shareholders will be able to vote directly on resolutions considered at the meeting at any time between the date of this Notice of Meeting and 10.00am (AEDT) on Wednesday, 16 November 2016. For details about how you can submit your Voting Form, please refer to the section below “Submitting your Voting Form prior to the AGM”.

If you lodge a direct vote you are voting directly and are not appointing a third party, such as a proxy, to act on your behalf.

2. Direct vote – during the AGM using Link Group’s online platform
Shareholders participating in the meeting using the Company’s online platform at https://agmlive.link/LNK16 will be able to vote directly at any time between the commencement of the AGM (10.00am AEDT on Friday, 18 November 2016) and the closure of voting as announced by the Chairman during the AGM.

More information regarding online participation at the AGM (including how to vote and ask questions online during the AGM) is available in the Online Platform Guide. The Online Platform Guide will be filed with the ASX and will also be available on our website. To ensure your browser is compatible, please follow the instructions in the Online Platform Guide – we recommend confirming this prior to determining whether to participate in the AGM using the Company’s online platform.

The Link Group Direct Voting Regulations governing direct voting are available on the Link Group website www.linkgroup.com. By submitting a direct vote, you agree to be bound by the Link Group Direct Voting Regulations.

Notice of Meeting 5
3. Attending the meeting in person
Shareholders attending the AGM in person are encouraged to bring the enclosed Voting Form to the AGM to assist with registration.

LinkVote App
Shareholders attending the AGM in person can download the LinkVote App from the Apple App Store or Google Play Store if they would like to direct vote during the Meeting using their mobile phone or tablet device.

The LinkVote App will be available for download prior to the AGM and there will be Link Group representatives available at the AGM to assist shareholders with any questions they may have on how to use the LinkVote App. Further information about the LinkVote App is available on our website.

Paper voting cards will also be available at the AGM for shareholders who would prefer not to use the App.

4. Appointment of Proxy
If you are a shareholder entitled to attend and vote, you may appoint an individual or a body corporate as a proxy. If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the AGM.

A proxy need not be a shareholder of the Company.

A shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the shareholder’s votes.

IMPACT OF YOUR PROXY APPOINTMENT ON YOUR PROXY VOTING INSTRUCTIONS
If you appoint the Chairman of the Meeting as your proxy, or the Chairman becomes your proxy by default, and you do not direct your proxy how to vote on resolutions 3, 4 and 5, then by submitting the proxy appointment you will be expressly authorising the Chairman to exercise your proxy on the relevant resolution, even though the resolutions are connected, directly or indirectly, with the remuneration of the KMP.

The Chairman’s voting intentions
The Chairman intends to vote undirected proxies on, and in favour of, all the proposed resolutions.

SUBMITTING YOUR VOTING FORM PRIOR TO THE AGM
To be valid, a Voting Form must be received by the Company in the manner stipulated in this Notice of Meeting.

The Chairman’s decision on the validity of a direct vote, vote cast by a proxy or vote cast in person, is conclusive and the Company reserves the right to declare invalid any Voting Form not received in this manner.

For your proxy or direct vote prior to the AGM to be effective, your completed Voting Form must be received by Link Market Services no later than 10.00am (AEDT) on Wednesday, 16 November 2016. After this time you will still be able to direct vote by either:

- a reply paid envelope for you to return either or both the Voting Form and AGM Question Form.

EXPLANATORY MEMORANDUM
This Explanatory Memorandum has been prepared for the information of shareholders of the Company in relation to the business to be conducted at the Company’s AGM to be held on Friday, 18 November 2016.

The purpose of this Explanatory Memorandum is to provide shareholders with information that is reasonably required by shareholders to decide how to vote on the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1, 2, 4, 5 and 6 are ordinary resolutions, which require a simple majority of votes cast by shareholders present and entitled to vote on the resolution. Resolution 3, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolution 1. Election of Director – Anne McDonald
The Board appointed Anne McDonald as an additional independent Non-Executive Director of the Company pursuant to clause 15.10 of the Constitution on 15 July 2016.

Ms McDonald is a member of the Company’s Risk and Audit Committee and Nomination Committee.

Ms McDonald has over 35 years of business experience in finance, accounting, auditing risk management and governance and is currently a Non-Executive Director of ASX listed entities Spark Infrastructure Group and Specialty Fashion Group. Ms McDonald is also Chair of Water New South Wales.

Ms McDonald was a partner of Ernst & Young for 15 years until 2005 and has broad based business and financial experience. This experience was gained by working with a wide cross section of international and Australian companies, assisting them with audit, financing, transaction due diligence, risk management and regulatory and accounting requirements.

Ms McDonald was previously a non-executive director of The GPT Group.

Ms McDonald is a Chartered Accountant, a graduate of the Australian Institute of Company Directors and holds a Bachelor of Economics (University of Sydney).

The Directors, with Anne McDonald abstaining, unanimously recommend shareholders vote in favour of this Resolution.

Resolution 2. Re-Election of Director – Michael Carapiet
Michael Carapiet was appointed as an independent Non-Executive Director of the Company on 26 June 2015. In accordance with clause 15.6 of the Constitution, Michael Carapiet retires from office at the conclusion of the AGM and is eligible for re-election as a Director of the Company.

Mr Carapiet is the Chairman of the Board and the Nomination Committee and is a member of the Risk and Audit Committee, Human Resources and Remuneration Committee and Technology and Innovation Committee.

Mr Carapiet has over 30 years of experience in banking and financial services. Mr Carapiet is also Chairperson of Smartgroup Corporation Ltd, Insurance & Care NSW, Adexum Capital and is a Board Member of Infrastructure Australia.

In addition, Mr Carapiet is a member of both the Chairman’s Council of the Australian Chamber Orchestra and of the Sydney Theatre Company.

In 2011, Mr Carapiet retired as an employee of Macquarie Group where he was a member of Macquarie Group’s Executive Committee since 2005 and Chairman of Macquarie Capital and Macquarie Securities Group.

Mr Carapiet was previously a member of the advisory board of Norton Rose Australia and was also previously Chairperson of SAS Trustee Corporation, the trustee entity for NSW State Super and a non-executive director of Southern Cross Media Limited.

Mr Carapiet holds a Master of Business Administration from Macquarie University, Sydney.

The Directors, with Michael Carapiet abstaining, unanimously recommend shareholders vote in favour of this Resolution.
Resolution 3. Remuneration Report

Section 250R(2) of the Corporations Act 2001 (Cth) requires that the section of the Directors’ Report dealing with the remuneration of directors and key management personnel (KMP) of the Company (Remuneration Report) be put to the vote of shareholders for adoption by way of a non-binding vote.

Broadly, the Remuneration Report details the remuneration policy for the Company and:

- explains the structure of and rationale behind the Company’s remuneration practices and the link between the remuneration of executives and the Company’s performance;
- sets out remuneration details for each Director and for each senior executive with authority and responsibility for directing the affairs of the Company; and
- discusses the relationship between the policy and Company performance.

Shareholders can view the full Remuneration Report in the Annual Report which is available on the Link Group’s website at (www.linkgroup.com).

Following consideration of the Remuneration Report, the Chairman of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. A resolution that the Remuneration Report be adopted will then be put to the vote. The vote on this resolution is advisory only and does not bind the Directors of the Company. However the Board will take the outcome of the vote into account in setting remuneration policy for future years.

Noting that each Director has a personal interest in their own remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommends that shareholders vote in favour of adopting the Remuneration Report.

Resolution 4. Link Group Omnibus Equity Plan

Approval sought

The ASX Listing Rules generally restrict listed companies from issuing more than 15% of their issued share capital in any 12 month period without shareholder approval. However, there are exceptions to this restriction, one of which states that general Listing Rule requirements for shareholder approval will not apply to an issue under an employee incentive scheme if, within three years before the date of the issue, shareholders approve the issue of securities under the scheme as an exception to the rule.

If the Link Group Omnibus Equity Plan is approved by shareholders, issues under the Link Group Omnibus Equity Plan (Plan) over the next three years will fall under this ASX Listing Rule exception and will not affect the Company’s ability to separately issue up to 15% of its total ordinary securities in any 12 month period (without having to obtain further shareholder approval).

However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

The purpose of the Link Group Omnibus Equity Plan

The Plan is:

- a long term incentive plan established to assist in the motivation, retention and reward of senior management; and
- designed to align the interests of senior management with the interests of shareholders by providing an opportunity for the participants to receive an equity interest in the Company.

In accordance with ASX Listing Rule 7.2, exception 9, a summary of the key terms of the Plan is set out in Attachment A. This is the first time shareholders have been asked to approve the Plan for the purposes of ASX Listing Rule 7.2, exception 9.

The Directors, with John McMurtrie (as the only Director currently eligible to participate in the Plan) abstaining, unanimously recommend shareholders vote in favour of this Resolution.
Resolution 5. Approval of Managing Director’s Participation in the Link Group Omnibus Equity Plan

Approval sought

The approval of shareholders is sought to permit John McMurtrie, Link Group’s Managing Director, to participate in the Company’s Omnibus Equity Plan (the Plan) by being allocated Performance Share Rights (PSRs) in the financial year commencing 1 July 2016.

ASX Listing Rule 10.14 provides that a listed company may only permit a director of the company to acquire newly issued shares or rights to shares under an employee incentive scheme where that director’s participation has been approved by an ordinary resolution of shareholders.

Subject to shareholder approval, the Managing Director is eligible to receive PSRs under the Plan that are exercisable subject to the satisfaction of certain performance hurdles.

Background

The Plan forms part of Link Group’s remuneration strategy and was summarised in the Remuneration Report for the financial year ended 30 June 2016 (refer to “Long-term incentive” on page 27 of the Directors’ Report). The key terms of the Plan are summarised in Attachment A.

As outlined above, under the Plan, the Company invites senior executives to participate in the Plan following release to the market of Link Group’s financial statements. Participants receive PSRs and subject to the satisfaction of service-based conditions and performance hurdles, will, when satisfied, allow participants to receive fully paid ordinary shares in the Company.

A summary of the Plan Rules which apply to the PSRs granted to Mr McMurtrie is set out in Attachment A to this Explanatory Memorandum.

Rights to be awarded to Mr McMurtrie

Mr McMurtrie is eligible to receive 127,992 PSRs.

The number of PSRs has been determined by dividing the long term component of Mr McMurtrie’s remuneration by the 5 trading-day volume weighted average price (VWAP) for the Company’s shares following the announcement of the full year results for the financial year ended 30 June 2016, which is $8.3338.

If approved by shareholders, the number of PSRs to be granted to Mr McMurtrie for the financial year commencing 1 July 2016 is calculated as follows:

$1,066,667  =  127,992 PSRs
$8.3338

Overview of proposed award

If approved by shareholders, Mr McMurtrie will receive PSRs subject to the below conditions.

EPS is calculated by dividing the Company’s NPATA before significant items by the undiluted weighted average number of shares on issue throughout the Performance Period.

The Board will have discretion to include or exclude items from the calculations.

### TSR Hurdle

25% of Rights will be subject to a relative TSR Hurdle, which compares the total shareholder return performance of the Company with each of the entities in a comparator group within the S&P/ASX200 as determined by the Board.

In order for the Tranche 2 Rights to vest, the TSR of the Company is compared to companies in the S&P/ASX 200 as at the commencement of the relevant Performance Period.

The TSR of each of the entities in a comparator group will be measured from the start of the Performance Period to the end of the Performance Period.

The TSR Hurdle for the Performance Period will be determined in accordance with the principles set out in the table below:

(2) The PSRs will be allocated at no cost to Mr McMurtrie and the Board has determined that no amount is payable by Mr McMurtrie on the vesting of each PSR or exercise of any PSRs granted under the Plan.

(3) Upon satisfaction of the performance hurdles set by the Board, the PSRs will vest and subject to the exercise/holding lock requirements, shares will be allocated or issued on a one-for-one basis.

(4) No loan will be made by Link Group in connection with the acquisition of PSRs or shares by Mr McMurtrie under the Plan.

(5) Mr McMurtrie is the only person referred to in ASX Listing Rule 10.14 entitled to participate in the Plan and Mr McMurtrie has not received any previous awards of securities under the Plan, nor has approval under the Plan been sought from shareholders previously.

(6) No Rights will be granted under this approval later than 12 months after the date of the AGM.

(7) Approval of this resolution will result in the grant of Rights to Mr McMurtrie falling within exception 14 in ASX Listing Rule 7.2. If approval is given for the issue of securities under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

The Directors, with John McMurtrie abstaining, unanimously recommend shareholders vote in favour of this Resolution.

### Resolution 6. Appointment of KPMG as Auditor

Under section 327A of the Corporations Act, KPMG holds office until the Company’s first AGM as a public company.

### Summary of the key terms of the Omnibus Equity Plan

**Purpose**
The purpose of the Plan is to provide competitive, performance-based remuneration supporting the retention, incentive and reward functions of that remuneration.

**Eligibility**
Eligible Executive means an executive or director of a member of the Group who is declared by the Board to be an Eligible Executive for the purposes of the Plan.

**Form of equity**
Under the Plan, awards of Options and Rights can be made.

- Rights are a right to acquire a Share (by transfer, issue or allocation at the absolute discretion of the Board) on the terms set out in the Invitation.
- Option means a right to acquire a Share (by transfer, issue or allocation at the absolute discretion of the Board) on the payment of the Exercise Price on the terms set out in the Plan.

**Terms of award**
A grant of Options and/or Rights under the Plan is subject to both the rules of the Plan and the terms of the specific grant.

**Vesting and Exercise**
The Rights and/or Options may only be exercised if the Rights and/or Options Vest in accordance with the applicable Performance Hurdles, Service Conditions and Exercise Conditions (if any).

Where an Eligible Executive ceases to be employed by a Group Company as a result of a Qualifying Event (see below), the Board may, in its absolute discretion, determine in relation to the Rights and/or Options, which at the time of the Qualifying Event, are held by the Eligible Executive and have not yet Vested, that some or all of those Rights and/or Options will become Vested at the time of the cessation of employment of that Eligible Executive or another date determined by the Board.

**Exercise Condition**
Exercise Condition means any criteria, requirements or conditions determined by the Board and set out in the Invitation, which must be met (notwithstanding the satisfaction of any Performance Hurdles and/or Vesting Conditions) in order for any Vested Rights and/or Options to be exercisable.

**Exercise Price**
Exercise Price means:

- (a) in relation to a Right, a nil amount, unless otherwise determined by the Board and specified in the Invitation, or
- (b) in relation to an Option, the amount payable on exercise of that Option, as specified in the Invitation.

**Exercise**
The exercise of any Right or Option may only be effected by lodging a duly completed notice of exercise endorsed on the Rights and/or Options Holding Statement (or a notice of exercise in such other form and manner as the Board may prescribe or accept) with the company secretary of the Company.

A Right or Option may only be exercised if at the time of exercise:

- (a) the Right or Option has become Vested;
- (b) the Right or Option has not lapsed under any provision of the Plan; and
- (c) the Exercise Price of the Right or Option (if any) has been paid to the Company in such manner approved by the Board.

The Board may determine in its absolute discretion that a Participant will not be required to provide payment of the Exercise Price of Options by cash, cheque or some other method acceptable to the Company, but that on exercise of the Options the number of Shares that will be issued, transferred or allocated will be equal in value to the difference between the Exercise Price otherwise payable in relation to the Options and the then Market Value of the Shares as at the time of the exercise (with the number of Shares rounded down).

A Participant’s Vested Rights and/or Options may be exercised in whole or in part, but any partial exercise must be for a multiple of 100 Rights and/or Options. If a Participant has not exercised all of their Rights and/or Options, a revised Rights and/or Options Holding Statement will be issued in respect of the remaining Rights and/or Options.

Following the exercise of a Right or Option by a Participant, the Company must, within such time as the Board determines in it is absolute discretion:

- (a) unless otherwise specified in an addendum to the Plan Rules that applies to that Participant:
  
  1. instruct the Trustee to subscribe for, acquire and/or allocate the number of Shares in respect of which the Participant’s Rights and/or Options have been exercised, and the Trustee will hold those Shares on behalf of the Participant in accordance with the terms of the Trust Deed; and
  2. the Company will, or the Company will instruct the Trustee to, notify the Participant that the Trustee holds Shares on the Participant’s behalf; or

- (b) if the Participant is resident in a jurisdiction outside of Australia, and the addendum that applies to offers made under the Plan in that jurisdiction does not allow the use of the Trust, issue or procure the transfer to the Participant of, the Shares in respect of which the Participant’s Rights and/or Options have been exercised.

The Board may, in its absolute discretion instruct the Trustee to either subscribe for new Shares, acquire Shares on market to be held on a Participant’s behalf, or instruct the Trustee to use a combination of both alternatives.

Any Shares issued, transferred or allocated on the exercise of Rights and/or Options will rank equally in all respects with all existing Shares from the date of issue. The Company will apply to the ASX for the quotation of any Shares issued under the Plan.
| Change of control | Where:  
(a) a takeover bid is made for the Company and the Board recommends acceptance by the Company’s shareholders;  
(b) a Court orders that a meeting of shareholders of the Company be held to consider a scheme of arrangement between the Company and its shareholders; or  
(c) the Board determines that some other transaction has occurred, or is likely to occur, which involves a change of control of the Company,  
the Board may in its absolute discretion determine that any Right or Option that has not Vested in accordance with the Rules, will vest on, and may be exercised on and from, the date determined by the Board (subject to lapse in accordance with the Plan). |
|-------------------|--------------------------------------------------|
| Lapse             | Any Rights and/or Options held by a Participant which have not Vested in accordance with the Vesting and Exercise rules (and which have not otherwise lapsed in accordance with the Plan) by the Last Vesting Date – will lapse at 12.01am on the day immediately following the Last Vesting Date.  
Where an Eligible Executive has acted fraudulently or dishonestly or is in material breach of his or her obligations to any Group Company, any Rights and/or Options held by the Eligible Executive, whether or not those Rights and/or Options are Vested, will immediately lapse at the determination of the Board.  
Where an Eligible Executive ceases to be employed by any Group Company as a result of the termination of the Eligible Executive’s employment other than as a result of a Qualifying Event (see below), any Rights and/or Options held by the Eligible Executive, whether or not those Rights and/or Options are Vested, will lapse immediately on the Eligible Executive ceasing to be so employed.  
Where an Eligible Executive ceases to be employed by any Group Company as a result of a Qualifying Event, any Rights and/or Options held by the Eligible Executive which have Vested:  
(a) may be exercised by the Participant (or the Participant’s legal personal representative, as applicable) during the 12 month period following the date on which the Eligible Executive ceases to be so employed (or, if shorter, in the period until 5.00pm on the Last Exercise Date); and  
(b) will lapse at 12.01am on the day immediately following the last day of that 12 month period (or, if earlier, at 5.01pm on the Last Exercise Date).  
All Rights and/or Options which have Vested and which have not been exercised will lapse on the Last Exercise Date or such earlier date as may apply in respect of the Right in accordance with the Rules.  
Upon the lapse of a Right or Option, all of the Participant’s rights in respect of that Right or Option will cease. |
| Qualifying Event   | Qualifying Event means:  
(a) death;  
(b) serious injury, disability or illness which prohibits continued employment;  
(c) Retirement or Retrenchment; or  
(d) such other circumstances which results in a Participant leaving the employment of the Group and which the Board determines is a Qualifying Event. |
| Share issues       | Rights and Options carry no right to participate in rights issues or bonus issues.  
The Board will:  
(a) reduce the Exercise Price of Rights and/or Options (if any) in the event of a new issue; and/or  
(b) change the number of underlying Shares to which the Rights and/or Options relate, in the event of a bonus issue, in accordance with the Listing Rules.  
If Shares are issued, transferred or allocated pursuant to the exercise of a Right or an Option prior to determination of entitlements to a new issue, the Shares so issued, transferred or allocated will be entitled to participate in any new issue in accordance with the Listing Rules.  
In the event of a reorganisation of the Company’s share capital, the Board will review and modify the terms of the Rights and/or Options if required by, and in accordance with, the Listing Rules. |
| Non-transferable Rights and Options | Rights and Options are non-transferable, unless in the event of the death of a Participant.  
If a Participant attempts to transfer a Right or Option or otherwise dispose of a Right or Option, the Right or Option will lapse immediately unless the Board determines otherwise. |
| Dividends | (a) The Rights and/or Options held by a Participant will not give the Participant any right to participate in dividends until the issue, transfer or allocation of Shares pursuant to the exercise of the Rights and/or Options (as the case may be), before the record date for determining entitlements to a dividend.  
(b) Any dividends payable on any Participant’s Shares held by the Trustee will be paid by the Company to the Trustee, and the Trustee will pay any such dividends to the relevant Participant as soon as reasonably practicable after those dividends are paid by the Company to the Trustee. |
| --- | --- |
| Voting rights | (a) A Participant may exercise any voting rights attaching to Shares acquired following the exercise of the Participant’s Rights and/or Options and registered in the Participant’s name.  
(b) The Participant may direct the Trustee by notice in writing as to how to exercise the voting rights attaching to the Participant’s Shares held by the Trustee, either generally or in respect of a particular resolution, by way of proxy.  
(c) In the absence of any such direction, the Trustee must not exercise the voting rights attaching to the Participant’s Shares.  
(d) The Trustee must not vote in respect of any Participant’s Shares if the vote occurs by show of hands. |
| Administration of the Plan | The Plan will be managed in accordance with the Plan Rules, by the Board, which will have power to:  
(a) determine appropriate procedures and make regulations for the administration of the Plan consistent with the Plan Rules;

(d) exercise the absolute discretions conferred on it by the Plan Rules or which may otherwise be required in relation to the Plan;  
(e) delegate to any one or more persons (for such period and on such conditions as it may determine) the exercise of any of its powers or discretions arising under the Plan; and  
(f) appoint or engage specialist service providers for the operation and administration of the Plan.  
Suspension or termination of Plan:  
(a) the Plan may be suspended or terminated at any time by resolution of the Board.

| Amendment | Subject to these rules and the Listing Rules, these Rules may be generally amended at the direction of the Board so as to amend, add to, delete or otherwise vary the Rules at any time in any manner the Board thinks fit in its absolute discretion.
